**** Continue reading for important information, don't forget to sign at the bottom of the application! ****

Any fence constructed within any dedicated utility easement is permitted exclusively at the owner's risk. In the event it is necessary for the City of Junction City, or nay other person, firm or corporation lawfully using said easement for any purpose for which the same was dedicated to the public use, to remove the permitted fence, none of said entities shall be liable to the owner for any damages resulting from the removal of said fence from such easement.

Current Adopted Codes:

- * 2012 International Building Code
- * 2012 International Residential Code

Permits are not approved until you have them in your possession and shall be posted on the job site.

Zoning Requirements:

- * Setback in accordance with City Ordinance Section 405

Required Documents:

Plan showing location of proposed fence. You may be required to provide a site survey/plan, prepared and signed by a registered Kansas design professional, drawn to scale.

Required Inspections:

- * Footing Inspection
- * Final Inspection

MUST CALL FOR UTILITY LOCATES. 1-800-DIG-SAFE / 1-800-344-7233 OR 811 ON A CELL PHONE.

This permit application must be completed in its entirety with all required attachments and must be signed by the applicant or it is considered null and void.

This form is made in accordance with the provision of the code requiring such permit and the proposed construction or work will be done in accordance with the terms of said code.

I, as applicant, agree to conform to all applicable codes and ordinances of the City of Junction City, Kansas. I certify that the facts and information in this application, including any attachments, are true, complete and accurate to the best of my knowledge. I further certify that this application does not contain any fraudulent, misrepresented or false statements.
